## SALADS & SOUP

*New!*

Make any salad choice a Pittsburgh Salad for just \$3.00 more.

What is a Pittsburgh Salad? We will add our crispy battered fries to your salad, don't knock it until you try it! Rumor has it that it originated at Jerry's Curb Service, a drive-in located in Pittsburgh in the 1960's. A customer ordered a steak sandwich, but told the server to hold the bun, add fries and salad dressing. The owner's wife made a version for herself later that night but put the steak, fries and dressing on a fresh bed of lettuce. And that's how the Pittsburgh Salad came to be!

**Dressing Choices:** Ranch, Light Ranch, Spicy Ranch, Thousand Island, Blue Cheese, French, Honey Mustard, Jalapeño Vinaigrette, Raspberry Vinaigrette
